PROJECTS

Car Enthusiast Quiz | https://coreynance.github.io/Car_Enthusiast_Quiz/

- **Overview:** A collection car quiz questions that start with a button click. Questions are shown to the user and scored. High scores are saved to local storage and can be cleared.
- **Responsibilities:** To create a quiz that has questions that are timed and scored.
- **Tools Used:** HTML, CSS, JavaScript and Local storage4

Daily Planner | https://coreynance.github.io/Daily_Planner/

- **Overview:** Create a simple calendar application that allows a user to save events for each hour of the day and color code the hours based on past present and future.
- **Responsibilities:** Core responsibility is to create a daily planner that utilizes jQuery and moment.js to create functions for a user to enter daily activities and have them saved to local storage.
- **Tools Used:** Dynamically updated HTML and CSS powered by jQuery. Moment.js library is used for the date and time.

Find Me Food Application (Group Project) |

<https://github.com/UNH-Bootcamp-Projects/project-1-group-c/> |

<https://unh-bootcamp-projects.github.io/project-1-group-c/>

- **Overview:** The Find Me Food app uses the user's location to find restaurants local to the user. Then display those restaurants as well as their locations on a map.
- **Responsibilities:** App pulls the user's location immediately from their IP address and feeds it into Google Maps to populate a list of nearby restaurants.
- **Tools Used:** HTML, JavaScript, Foundation, Google API, Restaurant API

EXPERIENCE

Motorcoach Operator Boston Express Bus

2016 – Present
Londonderry, NH

Responsibilities are to operate a Motorcoach in a safe and efficient way and communicate with passengers in a polite and professional manner. Be very detail oriented when performing safety and maintenance inspection of the motorcoach before and after use. Also be very meticulous in making sure to have a perfect driving record and CDL certification.

Key Accomplishments:

- Because of the amount of praise from riders and co-workers, work ethic and going the extra mile and attention to detail with the job, the company presented the opportunity to apply for the operations manager position when the current operations manager retired.

Automotive Sales Consultant Clark Jeep, Kelly Jeep Chrysler, Melrose Dodge

2004 – 2016
MA

Duties were to help customers through the process of purchasing a vehicle while keeping a running log of how many cars sold for the month. Having the drive to excel and has a high level of product knowledge. Willingness to stay up to date and learn about every new update to the product. Maintain lasting relationships with customers as well as keeping long time records. Requirements were to have a monthly average of 10 cars a month sold while having a customer satisfaction score of 80% or higher.

Key Accomplishments:

- Was a top 100 sales consultant in the Northeast Business Center.
- Averaged over 25+ cars every month with a 100% customer satisfaction score.
- Over 80% previous customer and referrals.
